

Project Manager

Why we love working at Helium

Our motto is be honest, build success stories, and enjoy the work. We put our team first and deliver results to our customers.

We believe in doing the right thing, treating people well, and building a company where we would want to work. We hire, promote, and reward based on performance. We don't play politics or favorites. We work hard and have fun along the way.

We take a lot of pride in having worked with clients in a wide range of industries, including Healthcare, Retail, Field Service Management, and Sports Entertainment.

About the gig

The Project Manager will work directly with the company founders to improve team alignment, resource management, tracking, planning, and communication throughout the entire organization. You will have the opportunity to establish proper project management methodology in a consistent fashion and train throughout Helium.

Responsibilities

- Project manage complex software development projects from ideation to completion
- Build strong relationships and earn the trust of customers while maintaining protection of the team
- Work with the CTO to align team members and allocate resources efficiently
- Serve the team by removing impediments and providing guidance based on client knowledge
- Continually identify, prioritize, and improve opportunities for growth throughout the company
- Integrate yourself into client environments to effectively lead project team building and establish positive professional relationships with clients and associates
- Serve as the project advocate within the team

The must haves

- Bachelor's degree, preferably in Business Administration
- 4+ years of project management experience as a project or program manager
- Scrum Master or PMP Certification
- Ability to build relationships with team members and customers
- Experience demonstrating active listening skills in a professional setting
- Genuine emotional investment in work and the dedication necessary to be successful
- Facilitate discussions and understanding when difficult decisions must be made and executed
- Able to stand firm and remain committed

A few of the perks

- You will be eligible for our 100% covered health insurance
- You will have the opportunity to work alongside a leadership team who truly cares
- You will be joining a company experiencing rapid growth
- Enjoy free snacks, drinks, and coffee every day along with free lunch twice a week
- We have a modern, open office with an accessible rooftop in the heart of Buckhead
